Preparing for College

This year MSMHS welcomes our two new school counselors, Ms. Janssen and Ms. Schumacher. Both of these wonderful counselors have already started to make a meaningful and positive impact on our school by visiting advisories and meeting with students. They know what a stressful time of year this is for seniors applying to college and have helped to organize the following events to help students and families with the process. If you have any questions or would like more information please reach out to either of them.

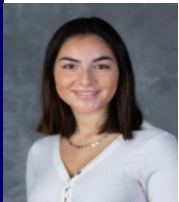

10/6—FAFSA Night: Fitch High School is hosting a FAFSA Completion Night to assist the “Class of 2022” students and families with completing the FAFSA and has invited MSMHS families. Families will sign up for a 30 minute appointment during the 4-7pm window.

10/7—College Application and Financial Aid Night: This event will now be held virtually—zoom link coming soon! The guest speaker for the evening, Charles Wareham, will provide families with more information about the financial aspect of college including the best loans, negotiating your financial aid package, and more!

10/12—College Fair: The Williams School in New London is hosting a College Fair and invited our MSMHS seniors to join! There will be over 80 schools in attendance for our students to learn more about. MSMHS students have the 9:45-10:30am time slot and will be providing transportation for students who have signed up.

Sofia Gonzalez September SOM

Senior Sofia Gonzalez, *Quaker Hill*, has been selected by MSMHS teachers as the first 2021-2022 Student of the Month! Sofia addressed the study body last Friday to announce the school's participation in Global Diversity Awareness month. As part of her Independent Study, Sofia is planning advisory activities promoting the appreciation of diversity. Sofia was described by her teachers as kind, positive, and encouraging of other students. She is a general force for good and is always looking for ways to improve. Not only is Sofia a leader in the classroom but she is also a co-editor of the yearbook and Vice President/Operations Manager for the senior class. Congrats Sofia!!

School Pictures

School pictures will be on Wednesday, October 6th during the morning at MSMHS. As students arrive to school, Steady Photography will be set up in the Great Hall for student photos. All students will have their picture taken. Seniors may also opt to have their senior portraits done with Steady Photography on this day if they are not using an outside company. Students can sign up the day of for a 10 min photo shoot outside on the grounds of MSMHS. There is no sitting fee for these senior portraits, just pay for the one you want to order!
