## May SOM

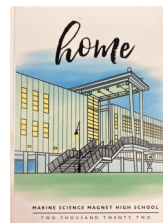

Ellie Cost, *Deep River*, has been selected as the final Student of the Month for the 22-23 school year. Ellie is one of the most respected students at MSMHS by her peers and all school staff. She is known in the school community for her kindness and for being a role model for her peers. She is consistently on High

Honors and is always diligent about her work. She is seen as a leader in the senior class and was instrumental in helping to pilot a new dress code. Even during the final month of her senior year, Ellie never skipped a beat with her academics. Recently, she played a large role in helping plan and set up for field day. Next year Ellie plans to attend Boston College to study sociology. Congratulations Ellie!

## Yearbooks

Yearbooks were distributed to all 12th graders at the Senior Breakfast last week at Port and Starboard. Here, yearbook editors Avery Dolphin and Sofia Gonzalez presented Mr. Guyot with this year's dedication.

All other students who ordered a yearbook received theirs this morning in Advisory. There are still yearbooks available for sale in the main office for \$80.

## PTO CommUNITY Event

PLEASE join us for our CommUNITY Celebration and Volleyball Tournament this Friday evening from 5-8pm at MSMHS and the adjacent field. We will have a DJ, concessions, craft table, and other fun for the whole family. There are still a few spots open on some of the student

and parent teams; if anyone still wants to play please call the school today. Otherwise, just come and hang out, watch the games, and get to know some of the other MSMHS families. We hope to see many of you there tonight!
