## MSMHS Student Leaders

Senior Class Officers

At MSMHS we know that each one of our students has leadership potential. We have recently held elections for class officers and are in the middle of our student council elections. In addition to these traditional elected positions, students also have the chance to serve on different committees and develop leadership skill in the classroom. Leadership committees for this year that students may run for include Advisory Council, Safe School Climate Committee, and the School Food Board Advisory. Today, we held our first Morning Meeting with the whole school outside in our covered garage and all students congratulated the newly elected Class Officers.

### Welcome Ms. Johnston and Ms. Cimmino

We would like to give a warm welcome to two teachers new to MSMHS this year! Ms. Johnston (left) joins our science department coming from Bennie Dover Jackson MS and is teaching 9th grade Integrated Science and Biology. Ms. Cimmino (right) comes to us with years of experience in Special Education at LEARN and will also be

working as a reading interventionist. Welcome to the MSMHS Family!

### PTO Meeting

The MSMHS Parent-Teacher Organization is looking for new members to join this year. The PTO is a great way to stay connected to the school, meet other Shark parents, and share your voice on school topics.

The first PTO meeting this year will be
