PTO Sponsored Family Fun Night—Amazing Race

The MSMHS Parent-Teacher Organization (PTO) is sponsoring our first Family Fun Night of the year—TONIGHT! This is a FREE event for all students and their families with the intention of having fun, building our sense of community, and allowing students and parents an opportunity to meet each other. During this Family Fun Event, students and families will be able to complete fun challenges to earn stamps on a bingo card for points. Students can also gain points by having everyone they bring wear their class color.

Freshmen—Yellow Juniors—White

The class with the most points will win a gourmet donut party in Advisory!
The Junior class will be selling pizza and snacks at the event.

Sophomores—Red Seniors—Navy

Are you a parent or caregiver and are looking for ways to get involved? Consider coming to a PTO meeting. The PTO is a great way to stay connected to the school, meet other Shark parents, and share your voice on school topics. The next PTO meeting will be

Tuesday 10/4 at MSMHS

6-6:30pm Meet and Greet with refreshments

Student Leaders

At MSMHS we know that each one of our students has leadership potential. We recently held elections for class officers and student council. In addition to these traditional elected positions, students also have the chance to serve on different committees and develop leadership skill in the classroom. Leadership committees for this year that students may run for include Student Ambassadors, Advisory Council, Safe School Climate Committee, and the School Food Board Advisory. Anyone wanting to be a part of these committees needs to submit a letter of interest by Friday at 2:00pm.

COAST Week

Next week is COAST week at MSMHS. **During this week we will have advisory every day** to allow for students to be able to meet with their advisory teacher and talk about their goals for the year. As part of a required Student Success Plan, students here set year-long SMART goals in the areas of Character, Ownership, Academics, and Service. The final step is Teacher approval. Once students create their goals they each have a 10 minute individual meeting with their advisor to discuss their goals and their plans for reaching them.

Parents—interested in knowing your student's goals? Ask their advisor!
